## Wine List and Drinks Menu

Welcome to our  
Wine List  
We hope you enjoy  
its contents.

While every effort is made to provide you with the vintage as stated there may be occasions where we have some stock of a more mature age as we do update our selection on a regular basis and update to the our wine merchants current year.

We will however endeavour to keep to the script when possible.

Our selection of wines, available by the bottle and glass, reflects the complete range of wine styles.

A crisp and zesty Sauvignon Blanc, smooth and fragrant Pinot Grigio and the fuller Chardonnay wine.

Rose is well represented by the ripe and lively Pinot Grigio Rose and the luscious, open

Merlot is now joined by a dense and full Malbec as our reds of choice.
